To: gensec.ssc@itbhu.ac.in

Dear Gensec,

I hope this email finds you well. My name is Rahul Sharma, Batch of 2020 in Metallurgical Engineering, and I was
actively involved as a volunteer with the Kashi Utkarsh Initiative from October 2016 to November 2019. I am reaching
out to request your assistance in verifying my participation and contributions to the initiative during this period.

Throughout my three years with the initiative, I dedicated myself to teaching elementary coursework to
underprivileged children on a weekly basis. Additionally, I actively engaged in health camps and participated in
awareness plays aimed at improving the living conditions in disadvantaged neighborhoods of Varanasi.

Understanding that the initiative does not provide volunteer certificates, I kindly request your help in verifying my
involvement via email or any form of official confirmation. This verification would significantly benefit me in showcasing
my dedication to social causes and community service.

Should you require any specific details to facilitate this verification process, please do not hesitate to let me know.
Your assistance in this matter would be immensely appreciated.

Thank you for your time and consideration. I eagerly await your response.

Many Thanks,
Rahul Sharma
